Blitz Credit Management specialise in **debt collection, credit information** and **receivables management** services.

BCM understands the unique challenges facing your business. We believe in complete transparency and accountability. We keep our customers fully informed during the entire process from lodgement to recovery through our online and internal systems.

We distinguish ourselves in the marketplace through technology and service with

- Easy to understand pricing structure
- Online debt collection systems available 24 hours a day
- Dedicated Account Managers to understand your business needs
- Experienced and qualified staff with a commitment to ongoing training
- The use of advanced telephone debt collection techniques
- Extensive skills in locating missing debtors
- Results in increased recovery levels and reduced collection times.

Our collectors receive extensive training on legal compliance and privacy. All debt collection activity is undertaken at the highest professional standards in accordance with privacy legislation and industry codes of conduct.
