

Viva Learning™

Client Branded Viva Learning™ Site

- Turnkey online CE solution for companies and organizations
- “Customized template” e-learning site (hosted & managed by Learn HealthSci)
- Takes only 4 weeks to set up and you’re ready to go!
- Links directly from your main company website with custom url

Live Interactive Webinars (archived for on-demand viewing)

- Present live webinars across the globe directly from a home computer
- Send us your presentation in advance (powerpoint and video clips) and we format everything into an interactive online presentation
- We fully train the speaker on how to use the presenter interface
- A few minutes before the scheduled event, the speaker logs in, presses start, and begins speaking into his/her USB microphone. It’s that easy!
- Live tech support during the entire presentation for presenter and attendees
- Following the presentation, we archive your webinar and post it to your Viva Learning website.

Webinar Registration and CE Certification

- We promote your webinars to thousands of dental professionals
- Our software manages all the administrative tasks
 - Attendee registration
 - Email reminders (with link) sent out 1 day and 1 hr before each webinar
 - Affidavit for online attendance
 - Webinar and instructor evaluation (results visible on admin site)
 - Interactive CE exam
 - CE Certificate and record keeping
