

AMCI *ADVANCED MICRO CONTROLS INC.*

AMCI Adds Sales Reps to Virginia and the Carolinas

Terryville, CT – N.O. Holder & Associates, Inc. is now representing Advanced Micro Controls Inc (AMCI) in North Carolina, South Carolina, and Virginia.

AMCI's recent growth with machine builders and OEM manufacturers has required the addition of sales reps in these states to better service the expanding market. AMCI's local sales representatives have a deep knowledge of AMCI solutions, and provide assistance with product selection and support. AMCI sales reps work with a large number of Allen-Bradley, Schneider, and GE distributors who together, will help customers and OEM's find the best solution for their application.

If you are located in North Carolina, South Carolina, or Virginia, please contact N.O. Holder & Associates, Inc. to learn more: www.noholder.com

About Advanced Micro Controls Inc.

Founded in 1985, Advanced Micro Controls Inc ([AMCI](http://www.amci.com)) is a leading U.S. based manufacturer with a global presence. Our industrial controls improve the performance and profitability of today's factory and automation systems. AMCI specializes in the design, manufacturing, and sales of eight different product families. Long standing relationships with the biggest names in industrial automation enable our team to deliver innovative, competitive products that are designed for years of reliable performance.
