NEWPORT BEACH HOTELS WELCOME FILM ENTHUSIASTS TO 2011 NEWPORT BEACH FILM FESTIVAL
Newport Beach Marriott Hotel and Spa and Newport Beach Marriott Bayview Hotel offer accommodations during major Newport Beach Film Festival.

Newport Beach, CA – The Newport Beach Film Festival, which takes place from April 28 to May 5, showcases hundreds of films and has become a premier event in the area. Filmmakers, enthusiasts and even casual movie-goers from all over the country flock to Newport Beach for this ever-growing film festival. Fortunately, two Marriott Hotels have accommodations available for those who wish to attend this event. The [Newport Beach Marriott Hotel and Spa](#) and the [Newport Beach Marriott Bayview Hotel](#) are both located near the film festival and offer comfortable accommodations.

The Newport Beach Film Festival offers the public a chance to watch the best of both classic and new films from dozens of countries. Also present at the festival are panel discussions with top filmmakers, screen writers, directors and cinematographers. These discussions are a rare opportunity to talk with some of the brightest minds in Hollywood and from countries around the world. Most of these events are open to the public.

Other than film screenings and panel discussions, the Newport Beach Film Festivals has pioneered a community outreach program. The program supports local non-profit groups and allows them to share their message to the general public through the medium of film. Organizations are paired with films that will likely speak to the same cause or message said organization speaks to.

Both of the Marriott Newport Beach, CA hotels are located within a few minutes from the film festival. Additionally, both Marriott hotels offer a special breakfast package--a perfect way for film festival attendees to start their mornings. This Newport Beach hotel special includes a delicious breakfast for up to two adults and two children. Guests must stay either a Friday or Saturday night to book this special. This hotel deal can be booked at either the [Newport Beach Marriott Hotel and Spa](#) or the [Newport Beach Marriott Bayview Hotel](#) using the promotional code S4B. This breakfast package is available now and throughout the Newport Beach Film Festival.
