Jason Hulfish

Creator of Fantasy Themed Rooms

Tampa, FL — Artist Jason Hulfish has been bringing one-of-a-kind magical children's environments to life for over 20 years. His unique ability to combine sculpture, custom designed furniture, hand painted murals, and awe-inspiring designs have made him one of the most respected and sought after artisans in his field. Jason possesses the unique ability to tap into the imaginations of children and turn their fantasy into a reality of living.

Please enjoy this glimpse into Jason's body of work that graces the homes of celebrities, professional athletes, and affluent clients throughout the United States.

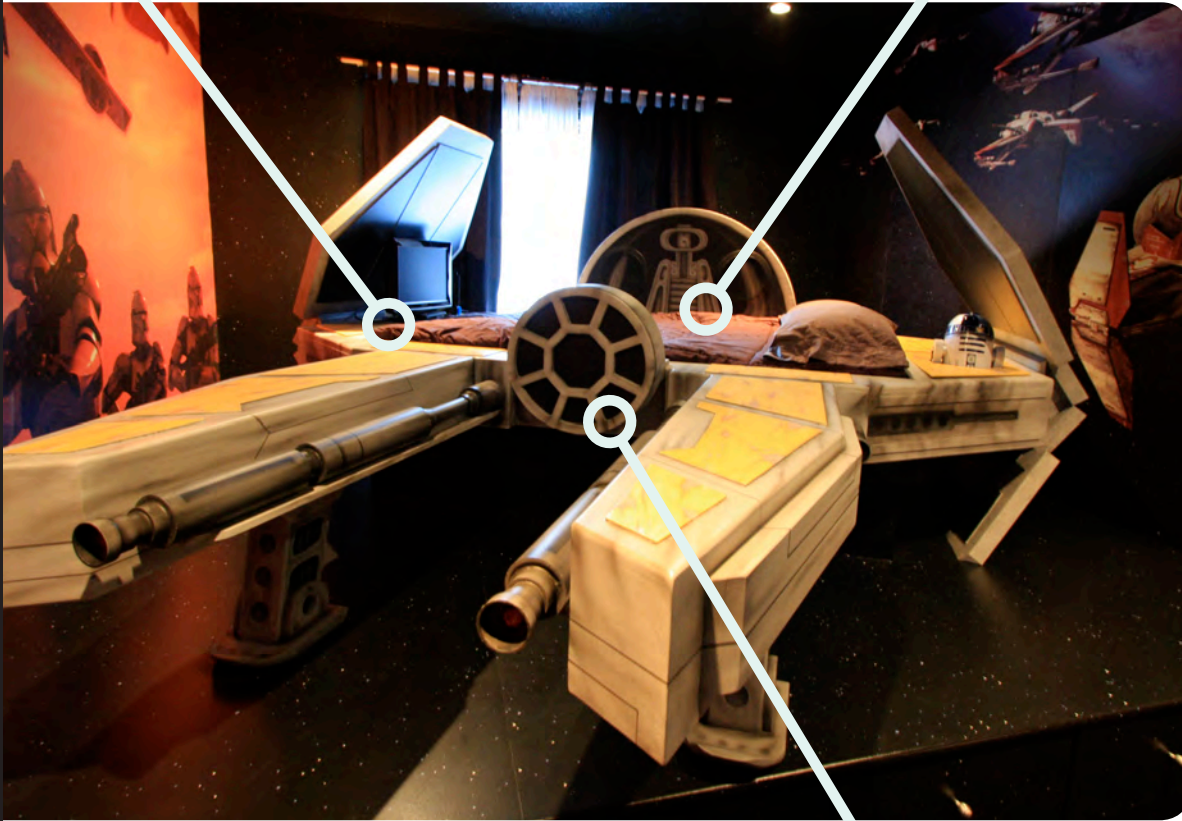

“Jason Hulfish is the most creative designer of custom playrooms and specialty themed rooms I have ever seen. He takes time to get to know you and your family so he can create the perfect design. He is trustworthy, loyal, and he will always give you 150%. I can't say enough about him or his work.”

— Nikki DeBartolo

“Jason is relentless, his mind doesn’t stop working. If you give him an idea, he’s always improving the design, thinking of new things to do or how to do something better, right down to the smallest detail.”

— Robert Valdez

The Imagination Emporium is a custom designed specialty playroom where creativity and dreams come alive.
