Local support - breath taking customer service

Pinnacle understands that paramount to a successful relationship with its customers is first class customer service, maintained throughout the lifetime of a partnership. With a team of over 80, Pinnacle firmly places customer needs and satisfaction at the forefront of all business transactions to ensure that we not only meet, but also exceed our customers' expectations through continuing proactive support and communication. This is achieved in part through:

- Providing a friendly and reliable support service which utilises proven support methodologies and is accessible through a single point of contact
- Understanding our customers' problems, taking ownership of them and remedying them in an efficient manner
- Contacting customers regularly to keep them up to date with new product releases and updates from Sage
- Using customer feedback to drive improvements

Through further investment in our support infrastructure in 2010 and beyond, you can be assured of an unparalleled level of service that differentiates us from the rest of the market.

Pinnacle CDC Clients

“As our business grew we had to upgrade from Sage Line 50 to Sage 200 with the help from our Sage business partner Pinnacle. We found the service from Pinnacle first class. The changeover was very smooth and any problems were dealt with very quickly.”

Hazel Rainey, *Finance Manager, Interactive Ltd*

“Thanks to Pinnacle for helping with our upgrade from Sage Line 50 to Sage 200. The process was remarkably easy thanks to Pinnacle’s technical support and the training provided.”

Matt Figgins, *Finance Manager, Pentalver Transport Ltd*

“We have found that Sage 200 has solved the consolidation and reporting issues that we had with Sage Line 50. We use the Pinnacle support helpline whenever we have any queries about Sage 200 and the support staff are always responsive, helpful and knowledgeable about the product. We would have no hesitation in recommending Pinnacle to any company thinking of changing their Sage accounts program.”
