Illumiti is a Systems Integration and Management Consulting company. We enable customers to realize their vision by leveraging technology, people, and leading business practices. Since its founding in the year 2000, Illumiti has developed a reputation for delivering successful customer projects **“faster, smarter and leaner.”**

Optimized and ready for change

Illumiti helps its clients achieve optimized operations in the key areas at the core of their business, by implementing custom-fit SAP® systems and other solutions faster, at a lower cost, and at a lower risk than other alternatives. We focus on you, the customer. Driving bottom-line performance depends on optimized operations where reliable & accessible information enables informed actions. We find innovative solutions to your business challenges and demonstrate agility in service delivery, to do what makes the most sense for your organization. We leverage proven and highly-effective methodologies to maximize business results.

Our people make the difference

Illumiti prides itself on its uncompromising selection of the highest quality professional staff, specifically matched to the needs of each customer engagement. Project team members typically average 10+ years of experience in relevant business processes, industry best practices and SAP® modules or other technology platforms / applications.

Track record and industry expertise

Illumiti serves more than 175 customers across a multitude of industry sectors and locations (see partial listing overleaf). From its founding in 2000 to the end of 2010, Illumiti has completed more than 80 successful implementations at small, mid-sized, and large enterprises. Illumiti provides its AMES to a large number of its clients. In addition we have helped to optimize the systems of many of our clients satisfaction level is unparalleled.

Keep up-to-date with the latest technologies			✓	✓	✓	✓		✓

Whether it's a first time Enterprise Resource Planning (ERP) & Information Technology initiative, a merger & acquisition related project, a drive to propel a business to best-in-class performance, or a system roll-out to other business divisions or countries, Illumiti does it faster, at a lower cost, and with a higher level of confidence.

Illumiti helps its customers drive competitive advantage through its focus on the DATA -> INFORMATION -> ACTION loop for Business Intelligence. We enable businesses to leverage IT solutions to ensure they have accurate data from which to report information and thereby enable managers and executives to take informed actions that deliver competitive advantage.

Illumiti's consulting services form an integral part of our client engagements and are particularly well suited to facilitate critical business effectiveness improvements such

as MRO Inventory Reduction; Planner and Scheduler Competence Development; Finite Scheduling Improvements; Warehousing excellence; and Lean / Six Sigma / Theory Of Constraints (TOC) tool infusions. Illumiti is perfectly positioned to assist you with the system changes you require to support the ongoing business changes that give you your competitive edge and streamline operations.

Illumiti is a Gold Level SAP® Channel Partner, licensed to resell SAP®'s Business All-in-One suite as well as SAP® Business One.

"Our success comes from our constant focus on customer satisfaction and responsiveness. We strive to exceed our client's expectations with every project or assignment that we undertake."

Nir Orbach
Chief Executive Officer
