A Global Trade and International Business Information Portal

Overseas Market Development Corporation

## Global Trade Advisor<sup>SM</sup>

*Global Trade Advisor*<sup>SM</sup> is an outsourced on-demand international trade and business information service of OMDCnet®. The service provides individuals and companies with answers to specific questions related to the business of world trade.

If you have a question about a particular international trade topic or issue that you would like answered, the *Global Trade Advisor*<sup>SM</sup> offers you the opportunity to get answers from professionals with years of experience in the business of global trade.

### Typical examples of questions:

- What are the best sources of in-depth country intelligence?
- How can I find reliable financial information on international companies?
- Where can I find information on the best practices for logistic services?
- How do I begin to develop global trade?
- Can you provide me the company names of leading DIY/hardware importers for a specific global market?
- What are the best sources for listings of U.S. importers?

### Features of the *Global Trade Advisor*<sup>SM</sup> Service:

- A one-stop source for on-demand global trade knowledge
- Option of submitting questions online or by telephone
- Questions answered by international business specialists
- Information delivered in the format you request
- Charges for research estimated prior to purchase

### Benefits of the *Global Trade Advisor*<sup>SM</sup> Service:

- Save time in researching global business questions
- Ease of use and simplicity in getting international trade information
- No charge if question is not answered
- Helps you get up-to-date, well-researched answers to questions fast

The cost for *Global Trade Advisor*<sup>SM</sup> is based on a unit of time, with one unit reflecting a period of fifteen minutes. The cost per unit is \$50. There is an initial minimum charge of two units, equal to \$100, with subsequent time billed in single unit increments.

To begin the *Global Trade Advisor*<sup>SM</sup> order process, please submit your question through our online form, located at [www.globaltradeadvisor.com](http://www.globaltradeadvisor.com), or call us to speak directly with a company representative.

After a review of your question, we estimate the time and cost required to answer your question. A free quotation is then provided to you by e-mail, along with a link to our online payment form.
