Pass IRS Exams with Our Proven Programs

Prepare for IRS competency exams with a company that has a proven track record of delivering educational programs that help students pass government administered tax preparer exams.

Put our 94% Pass Rate To Work for You!

For more than 35 years, the State of Oregon has led the nation as the **ONLY** state with education, testing and licensing requirements for all paid tax preparers. IRS competency exams are predicted to be similar in scope and content to Oregon's exams.

The Oregon Board of Tax Practitioners records and publishes pass rates for all tax schools and Pacific Northwest Tax School graduates have consistently achieved the highest overall pass rates of any tax school in Oregon. Our 2009 pass rate was 94%. Our 2008 pass-rate was 93%. No other national or regional school approaches this level of success.

Learn from Oregon's example by taking advantage of our proven education programs.

STAFF TRAINING SOLUTIONS For Employers

In the competitive tax preparation industry, tax clients are attracted to skilled and knowledgeable tax professionals.

Professionals who deliver a high-level of tax knowledge and tax preparation skill attract and maintain a loyal client base.

Pacific Northwest Tax School's courses are designed to increase tax preparer knowledge and skill by bringing clarity to tax laws and how they relate to the real world of professional tax preparation.

Prospective and current employers can be assured that graduates of The Basic Tax Course have completed a program that adheres to the highest educational standards by:

- ☐ Delivering quality content,
- ☐ Providing interactive student support,
- ☐ Monitoring student adherence to completing all course assignments, and
- ☐ Ensuring certificates of completion are awarded only to students who successfully complete all course assignments and tests.

“Our mission is to deliver the highest quality tax education programs available.”

April Gutierrez, E.A., L.T.C.

TOOLS FOR SUCCESS

Our educational programs utilize numerous educational techniques to give every student the tools to succeed. Every session includes:

- Our Student Manual which uses easy-to-read language and detailed illustrations.
- Lecture Videos to guide students through each session's lesson materials
- Class work and homework assignments that apply concepts learned in each session to preparation of sample tax returns.
- Quizzes to reinforce key concepts and hone student test-taking skills.

CAREER DEVELOPMENT

Our instructors are ready to put their years of experience to work for you in an engaging and interactive learning environment.

Our course materials are built on scenarios taken from real world tax returns. Quizzes included with every session ensure students get the testing skills needed to pass IRS and state competency exams.

Graduates of our courses enter the real world of professional tax preparation with the knowledge needed for success in a competitive industry.

FLEXIBLE LEARNING OPTIONS

Choose between 5 different educational formats for the delivery method that meets your needs.

- Live Webinar
- Interactive Self-Paced Online (with Lecture Videos)
- Interactive Online (Without Videos)
- Mail Correspondence
- Classroom

Study any time, anywhere
Our Interactive online and mail correspondence programs are offered year-round.

EXPERIENCE

A new era is beginning for the tax preparation industry as the IRS imposes testing and registration requirements on all paid tax preparers for the first time. Pacific Northwest Tax School is the school you can turn to for help with passing IRS exams. We have a proven record of helping students pass government administered tax preparer exams.

For 10 years, Pacific Northwest Tax School students have consistently achieved pass rates 20% - 40% higher than those achieved by any other national tax school at state-administered competency exams.

Put our years of experience to work for you. Prepare for IRS competency exams by enrolling in The Basic Tax Course today!
