This year, we are honoring Larry Cooper as Communicator of the Year. His dedication and hard work have led to HASA's success in the last decade. Larry's commitment, tireless efforts and generosity to The Hearing and Speech Agency have set the standard for service and leadership.

We are so grateful to the sponsors, staff, volunteers, and auction donors who contributed their time and talents to make tonight's event a success.

We hope you will enjoy VIBE '11. Your participation and attendance this evening, as well as your bidding, will help enrich the lives of many.

THANK YOU FOR JOINING US

Dear Friends,

Thank you for celebrating Cinco de Mayo with us at Vibe '11. This is The Hearing and Speech Agency's fourth Vibe fundraising event; each time held in May to celebrate Better Hearing and Speech Month. Your attendance and generosity this evening help support our professional services for people who have speech or language disorders, autism, deafness or communication disabilities.

This evening we are honoring Larry Cooper as HASA's 2011 Communicator of the Year. I can't imagine a better reason for celebration! Larry joined the Board in 1999, when our new facility was just a dream. He was at the very first meeting with the Weinberg Foundation in 2002, provided leadership throughout the campaign, and stood beside me at our grand opening on May 5, 2004. The opening of The Hearing and Speech Agency Weinberg Building was an incredible milestone in HASA's history that Larry was instrumental in achieving. It is a distinct honor and privilege to work with him.

I'd like to say a special thanks to our sponsors, event Co-Chairs Jeri Hessian and Gail Liss, the Vibe committee members, our staff volunteers and you, our guests, for making this evening possible. I hope that you are able to make a few memories, enjoy the music, learn a few dance moves and learn more about our work in the community. Thank you for joining us!
