

Very® Task

HAWORTH®

Smart. Versatile. Responsible.

A key member of the award-winning Very seating family, the Very Task chair is both a comfortable and expressive choice. Designed by Michael Welsh and Nicolai Czumaj-Bront of the Haworth Design Studio, the Very Task's top characteristics include its universal appeal, wide range of application, 98% recyclability, fantastic scope of color — and it's included in Haworth's Take Back Program.

With the number of options available on the Very Task, you'll be able to style your chairs for countless applications. From the conference room to the corner office to the reception area, Very Task thrives in any environment.

Very Task offers Haworth's patented asymmetrical lumbar system, plus a host of other best-in-class features. All said, Very Task is a science-based ergonomic solution that gives users control of their own comfort and well-being.

Available in the seven mesh colors shown and an optional back jacket.
