About Scootaround

Scootaround is the world's leading mobility enhancement company providing equipment rentals in over 1500 locations and to thousands of guests across North America and around the world. Worry-free rentals can be arranged through our 7-day toll-free number or via our full-featured website. Our experience and dedication in the industry guarantees only the highest level of customer satisfaction!

Our mission is *"to provide an easy, convenient way for mature and disabled attendees to enjoy their excursions without having to worry about their personal mobility"*.

Why Use Scootaround?

Personal mobility is an ever-increasing requirement that must be addressed as the population ages. With the introduction of the Americans with Disabilities Act (ADA), many facilities are using Scootaround to assist in helping them provide full access to all areas of their respective venues. Mobility enhancements benefit both staff and visitors, adding a positive opportunity for clients and their guests.

Mobility Rentals

Scootaround provides mobility equipment rentals for travelers of all types from vacation and cruise to business and conventions. If your guest requires a scooter, wheelchair or powerchair, we will supply the best equipment required.

Corporate Services

Scootaround provides organizations with the easiest, most professional way of managing attendee mobility. Our comprehensive service covers your client and guest mobility needs from scooter fleets and onsite rental programs to assistive seating and intra-venue shuttling.

Airline Services

Scootaround provides assistance and service to both passengers and commercial air carriers through our equipment claim service. Guests who experience equipment damage resulting from an airline flight may contact our One-Call Repair Depot for a full suite of services.

Equipment Sales

Scootaround also provides the best in brand name equipment at great rates. Our 24/7 Sales website offers all types of mobility equipment and accessories at discount prices; including factory-direct delivery door to door and warranty protection.

Benefits

- **For individual travelers:** We provide an easy way to travel abroad in comfort.
- **For convention or event organizers:** Your meetings become accessible to all guests. We also provide a *Custom Rentals Page* that links your event to our national website. Guests can book equipment online and we drive traffic to your website, free of charge!
- **For Travel Agents and Concierge:** Join our CRN program and earn valuable rewards when your guests rent equipment with us.

The Industry Leader

Scootaround is the preferred contract service provider for thousands of organizations, cruiselines, convention centers, airlines, hotels, resorts and outdoor venues, including:

• McDonald's	• Kansas State Fair
• Disney Resorts	• Daytona Speedway
• AARP	• Delta Airlines
• Microsoft	• Rotary International
• Ace Hardware	• WestJet Airlines
• Las Vegas Convention Center	• Orange County Convention Center

Proven Track Record

Our award-winning rental programs enhance your services and improve revenues for your events and facility. Our Central Reservation System supports bookings up to a year in advance.
