YOU DEMAND EXCELLENT PERFORMANCE.
YOU EXPECT CUTTING EDGE INNOVATION.
YOU APPRECIATE STYLE AND QUALITY.

When combining HEAD’s philosophy of “Advanced Performance through Superior Technology”, with over 60 years of experience and expertise in creating watersport products from MARES, there can only be one result:

YOU DEMAND EXCELLENT PERFORMANCE.
YOU EXPECT CUTTING EDGE INNOVATION.
YOU APPRECIATE STYLE AND QUALITY.

DISCOVER the new HEAD Swim and Snorkeling Collection
CLEAR
Provides all the required UV and Anti-Fog protection without any adjustment to natural colors.

ORANGE
Perfect for indoor use, Blue is almost excluded from the color spectrum - making the conditions extremely bright and crystal clear.

SMOKE
The tinted “Smoke” lens reduces the light transmission and controls the brightness level without major color distortion.

BLUE
The effect of the “Blue” lens is to reduce glare from the water in order to enhance visibility in bright conditions, inside and outside.

RED
Excellent choice for Outdoor Pools where there are green or blue backgrounds, “Red” tinting provides an excellent contrast.

MIRRORED
The “Mirror” effect does not effect the standard characteristics but helps to control glare and adds a fantastic cosmetic.

GOGGLES LENS COLORS

HEAD supports the dealer by offering a complete range of POP products to help increase sales. “A shop inside the shop”; these merchandising materials help identify a brand recognized worldwide.

NEW
Eyewear Cylinder Exhibitor

Packing
Everything is designed with care. HEAD Swimming, through its planning and product development department, has paid great attention to the presentation of Packaging. The priority is durability and simplicity of use with special attention to product visibility. All materials are ecological and recyclable as HEAD is committed to this philosophy.

The elegant, bright HEAD Swimming “Orange” cosmetic creates instant “In-store” recognition.

The sleek, transparent case clearly indicates the particular features of the product. The visual effect is enhanced by the mirrored internal base.

PROTECTIVE POUCH
A soft pouch is contained in the base of the packaging and is ideal protection for the eyewear when not in use.

EYEWEAR FOR CHILDREN

The packaging for the Eyewear for Children has a dedicated design - clearly defining the models and making the choice fun for the younger consumer.
RACING
High performance and competitive athletes insist on specific characteristics for their goggles. Hydrodynamic low profile frames, 180 degree peripheral vision, superb comfort and a secure fit. Mirror effect adds a special “Super Fast” cosmetic.

STEALTH
451033 mirrored / 451034 standard
High Performance racing goggle with an extremely comfortable silicone gasket. PC lens, UV and Anti-Fog treatment with 4 different variable nose bridges.

ULTIMATE LSR
451001 standard / 451002 mirrored
Designed for the high performance athlete with “super soft” Liquid Silicone gasket that brings a new level of comfort to the low profile, hard PC lens styles on the market. 3 different nose bridges included.

VENOM
451003 standard / 451004 mirrored
Hydrodynamic styling with soft “cushioned” gasket provides a leak proof confidence and comfort in race conditions. Double silicone HEAD strap ensures “movement free” racing.

WATERSPORTS
A growing category, particularly with tri-athletes but also with open water enthusiasts across the globe. While the extreme conditions of open water demand specific characteristics, none is more important than a secure fit which is produced by HEAD’s innovative advance in strap adjustment.

JAGUAR LSR+
451006
High performance swimming mask with Liquid Bi-Silicone Technology, Rapid Adjustment System, and with mirrored Curved Conical Lens that fits perfectly to the face and offers an optimum peripheral view.

JAGUAR LSR+
451005
High performance swimming mask with Liquid Bi-Silicone Technology, Rapid Adjustment System, Curved Conical Lens that fits perfectly to the face and offers an optimum peripheral view.

JAGUAR LSR
451007
Hydrodynamic swimming mask, granting safety even in rough waters. With Liquid Silicone Technology, Rapid Adjustment System and optimum peripheral view thanks to Curved Cone-Shaped Lens.
PERFORMANCE
Range created to combine technologies that deliver the variety of needs for both competitive and recreational swimmers.
HEAD Liquidskin Eyewear offers superb quality, low profile eyewear, optical quality PC lens that offer excellent peripheral visibility, comfort and fit with the addition of a new cosmetic appeal.

JUNIOR GOGGLES
Same demanding standards as our adult styles in smaller fitting models. The same high quality PC lens are used with anti-fog treatment and UV protection. Goggles are offered in bright, attractive colors with soft leak proof gaskets that encourage younger swimmers to comfortably protect their eyes.

MONSTER JR
451016
Smaller dimension mask designed for the younger consumer. Excellent comfort is provided by the soft TPR material and unbreakable PC lens are curved for excellent vision characteristics in competition. User-friendly HEAD Rapid Adjustment System is extremely important for the secure fit of the younger user.

SUPERFLEX JR
451017
Soft TPR construction designed to provide a superior comfort for the young consumer. Curved Lens for perfect adherence to the smaller face and offers enhanced peripheral vision; HEAD Rapid Adjustment Buckle System.

METEOR CHARACTER SET
451020
Smart and funny combination of Meteor goggle and character cap design.

STAR
451019
**LYCRA PU COATING**

- **455001**
  - Black (BK)
  - Royal (RY)

Adult cap in nylon/lycra lightweight, elastic, tear resistant material. PU Coating is water repellent and durable. Shaped for comfort and fit.

**SILICONE FLAT**

- **455003**
  - Black (BK)
  - Silver (SV)

100% high quality silicone.

**JUNIOR SILICONE**

- **455006**
  - Pink (PK)
  - Royal (RY)

High quality silicone, tear resistant, color fast.

**SWIMMING CAPS**

Swimming Caps that have been designed not only to provide ideal protection in highly chlorinated water but also add style and individuality to swimmers.

**LYCRA FLAT**

- **455003**
  - Black (BK)
  - Silver (SV)

100% high quality silicone.

**CONTOUR PADDLE**

- **455008**
  - Sizes: S - M - L

Adjustable silicone hand straps support specific muscle development and stroke technique. Contoured paddle provides greater “feel” of the water.

**TRAINING ACCESSORIES**

**SWIM FIN ENERGY**

- **450000**
  - Orange (OR)

Highly durable neoprene swim fin with an attractive HEAD design. Closed pocket assists in a secure & comfortable fit. Made from high grade polypropylene.

**SWIM GLOVE**

- **455007**
  - Sizes: S - M - L - XL

Highly durable neoprene swim glove in an attractive HEAD design. Exposed fingertips permit enhanced “water feel”.

**CONTOUR PADDLE**

- **455008**
  - Sizes: S - M - L

Adjustable silicone hand straps support specific muscle development and stroke technique. Contoured paddle provides greater “feel” of the water.

**BASIC KICKBOARD**

- **455010**

Hydrodynamic and ergonomic design for the advanced athlete. Manufactured in hard wearing EVA foam.

**HIGH LEVEL KICKBOARD**

- **455009**

Advanced training product. Compact 2 in 1 pull board & kick board apparatus. Manufactured in durable lightweight EVA foam.
PULL BUOY
455011
Lightweight foam training aide to improve stroke & develop upper body and arm strength by restricting legs.

NOSE CLIP
455012
Swim nose clip. Made from pliable soft polycarbonate.

EAR PLUG SILICONE
455013
Conical design for optimal fit. Soft, flexible silicone for added comfort in reusable case.

EAR PLUG SILICONE MOULDED
455014
Durable Soft Silicone, easily molded to fit securely. Four plugs in clear storage case.

SWIM TOWEL MICROFIBRE
455017 Size: 80x40cm
Soft micro-fiber sports towel provides for quick drying off of the swimmer and quick drying for convenient storage in compact packaging. Lightweight with amazing absorbency eliminates the need for heavy wet cotton towels. Perfect for pool side use.

SPORT COTTON LOGO TOWEL
455015 Size: 55x27.5
Cotton logo towel.

RADIAL
