STUDY AT ONE OF THE UK'S LEADING CREATIVE TECHNOLOGY CENTRES AND TURN YOUR PASSION INTO A CAREER.

Games technology is one of the fastest growing sectors in the UK and this course has been designed to prepare you for a range of careers. The course, run in conjunction with De Montfort University, is based at Confetti ICT but you'll also work closely with professional games companies and get the chance to work on real commercial products using a range of industry-standard hardware and software.
