

# SAGEMCOM LAUNCHES XMEDIUSDOC CONTENT EXPRESS, THE REVOLUTIONARY NEW SOFTWARE FOR ELECTRONIC DATA STORAGE

April 2011

**XMediusDOC™**  
CONTENT EXPRESS  
CONTENT MANAGEMENT SOFTWARE

## **SAGEMCOM UNVEILS A SIMPLE, INTUITIVE DOCUMENT MANAGEMENT SOFTWARE FOR ELECTRONIC DATA STORAGE: XMEDIUSDOC CONTENT EXPRESS.**

Sagemcom is expanding its dematerialisation solution offerings with the launch of its comprehensive XMediusDOC Content Express software. Equipped with an intelligent filing system and search engine, users can instantly access all of their digital documents. By connecting XMediusDOC to a multifunction printer and standard desktop applications, you can easily digitize, manage and store all your content, whether paper or electronic.

### **Electronic data storage for all**

A typical office worker spends at least 50 minutes a day looking for documents. Sagemcom's new XMediusDOC Content Express solution helps save time and increases productivity. It's easy to use and quick to set up; with XMediusDOC Content Express you can enjoy automatic or manual document filing. The interface is intuitive and user-friendly, and easy installation means simple content management will soon be yours.

With just a click, you'll have instant access to documents via multi-criteria or full text search.

The idea of "electronic data storage for all" isn't just a marketing slogan that Sagemcom is using; with an attractive price tag, this software really is for everyone (starting at €189, taxes not included).

### **Intelligent electronics**

XMediusDOC Content Express is perfectly compatible with all multifunction printers and scanners on the market. Combined with one or several multifunction printers, it's just the tool that personal businesses, SMEs and small work groups need to archive and perform searches in their documents in just seconds.

XMediusDOC Content Express, which can be shared by up to 10 users, is the perfect solution; it's also highly accessible, so electronic data management is easy to set up, saving you time and money sooner.

This new software completes Sagemcom's range of electronic data storage solutions, making it easy for everyone to get started with document management.
