Mother's Day "Breakfast in Bed"

Join us as we help to create special memories and new holiday traditions for our guests. On Mother's Day, we encourage kids (and dad) to let mom sleep in while they dine at Harvest Bistro. When they're finished filling up, the kids can really have some fun by preparing (and plating) breakfast for mom, with the help of the staff at Harvest Bistro. And for a special touch, the kids can create their own fresh-flower bouquet from a cornucopia of floral choices and personally deliver it to mom (along with breakfast!).
