

Mindcrest receives Frost and Sullivan's 2011 Excellence in Outsourcing Award for Legal Process Outsourcing.

May 6th, 2011 – Chicago – Mindcrest, a pioneer and leader in legal services outsourcing, announced today that it has received the Frost & Sullivan's "Excellence in Outsourcing - Global Legal Process Outsourcing 2011" Award. This award is in recognition of Mindcrest's accomplishments in providing innovative products and services, increased value to customers, operational excellence and growth.

"Mindcrest carves a distinct niche and has consistently set the standard for the core legal process outsourcing industry and is poised to sustain its impressive performance and client satisfaction in the coming years", according to Frost and Sullivan analysts.

"We have a reputation for providing highest quality work and exceptional client service and are known for our commitment to excellence and for our ability to find innovative solutions. We are pleased that Frost & Sullivan has recognized us as experts and leaders in the industry," said Ganesh Natarajan, Mindcrest's President and CEO.

Frost & Sullivan's analysts note that Mindcrest brings specific strengths and abilities that set it apart from other LPO service providers. Mindcrest has strong operational processes in place to assure that the work will be performed consistently and will be of the highest quality resulting in trusted long term relationships with their clients. In addition to building relationships with clients, Mindcrest has entered new industry segments as well as expanded its core service offerings. The tasks that Mindcrest handles for its clients are more complex and complicated than those of its competitors, and they have continued to grow and evolve faster than any other player in this industry space."

"Mindcrest has chosen to focus exclusively on legal services because we believe that the substantive expertise we bring to the table in this area provides unparalleled value to our clients. It is gratifying to receive validation from a leading analyst firm such as Frost and Sullivan, Natarajan added.
