

COVERBIND FLEXICUT GLUE - THE NEW PERFECT BIND SOLUTION FOR THE PROFESSIONAL PRINT MARKET

Coverbind's Patented FlexiCut Glue is Now Available

Designed for short to medium runs and specialty binding, with the covers designed and printed locally by any print shop. The use of Coverbind FlexiCut is easier, faster, more flexible and cost effective than any other perfect bind system on the market.

Up until now the Coverbind glue has been available only as part of Coverbind pre-scored, pre-folded covers. We are now offering the glue as a commercial print, perfect bind entry level solution. The special developed and environmentally friendly polymer glue is embedded with a 100% pure book binding cotton textile mesh.

FLEXICUT GLUE AND BINDER START KIT

- The Coverbind model 5000 is the ideal entry level perfect binder - format flexible, small footprint, in-expensive, productive with up to 15 documents per binding cycle (60 seconds), will bind up to 2" thick documents, will bind both soft and hard covers.
- The Coverbind 5000 is offered as a Binder/Glue start kit including 5 cartons of Coverbind FlexiCut Glue.
- **PART NUMBER 40073BINDSP, ONLY \$ 1395 / start kit.**

So many choices in binding...

Coverbind offers the best solution in binding. It looks the best. It lasts the longest and allows you to be more efficient. The spines of our ready-made pre-formed covers are designed to be flat - like a book - keeping your document pages flush. We even designed in fold scores on the front and back of the cover which allow the pages to lay flat when opened. We also designed our covers with flush cut edges so the corners don't get bent, allowing your document to maintain that professional impression.

Classic®

Portfolio

Ambassador Hard Cover

Custom

Coverbind has the right cover for any presentation

- **Classic®** covers have a clear, non glare front and come in a variety of rich fabric color spines to quietly project good taste.
- **Portfolio** covers project a more traditional image in a wrap-around high quality paper cover with a window to promote a custom appearance. The cover is durable and textured with embossed vertical ridges.
- **Ambassador** covers are hard bound books for those special reports and manuals. The true case bound cover is wrapped in a beautiful leather-like material and can be customized with foil stamping or ordered with print-on-demand labels.
- **Custom** covers allow you to create your own unique cover from an extensive selection of paper in numerous colors and finishes. Treatments include 4-color printing, foil stamping, embossing and die cutting.
