### **Famed Pianist ELEW Brings Unique Rock-Jazz Music to Houston Luxury Hotel**

*Eric Lewis, better known as ELEW, has made a name for himself by taking contemporary music and recreating them in jazz arrangements for piano. The Renaissance Houston Greenway Plaza hotel welcomes him to Edloe's Lounge.*

Houston, TX – Eric Lewis was not satisfied to be labeled a “jazz musician.” Instead, he elected to create his own genre-bending style, which he refers to as rock-jazz. This innovative style takes popular songs and transposes them onto the piano, while either adding or preserving traditional jazz elements. This unique take on contemporary music has garnered attention from the likes of the White House—particularly Michelle Obama—vocalist Josh Groban and many others.

Now, guests staying at the Renaissance Houston Greenway Plaza Hotel have a chance to see this rising star at the hotel's [Edloe's Lounge](#). ELEW will perform his unique rock-jazz music on May 14, after he opens for Josh Groban's “Straight To You” tour. This hotel in Houston, TX is proud to welcome such a pioneer of jazz music to its lounge. The Edloe's Lounge offers guests a chance to relax and savor the music while sipping on delicious cocktails and sampling flavorful morsels. The intimate setting coupled with some of the most groundbreaking jazz arrangements should make for a memorable evening.

After the performance, attendees can retire to luxurious guest rooms at the Renaissance Houston Greenway Plaza Hotel. This AAA four-diamond hotel features 382 hotel rooms and six suites conveniently located near the Galleria Mall and Rice University. Walk-in closets, work spaces and comfortable Revive bedding complement the room's warm tones. For more information about this [Houston luxury hotel](#), visit the hotel's website.
