Advantech Wireless and TRISPEC Communications Reach Distribution Agreement

Montreal, Canada, May 16, 2011— Advantech Wireless, Inc. announced today that it has formally entered into a distribution relationship with TRISPEC Communications Inc. TRISPEC will distribute Advantech Wireless products throughout Canada. TRISPEC is a master distributor of wireless broadband infrastructure products and solutions.

Pierre Cardinal, VP Sales for Advantech Wireless Inc. noted, "TRISPEC Communications is well connected in the rapidly growing network infrastructure marketplace. TRISPEC is a solid team of highly skilled engineers, telecom specialists and project managers, backed by a strong national sales force. Our Terrestrial Microwave Point-to-Point Radios, high performance Ruggedized Routers, and VSAT Hubs and Terminals, including deployable integrated antennas are a perfect addition to TRISPEC's current broadband offerings."

Expanding on a record breaking year, Advantech Wireless has always been at the forefront of new technologies. "We are pleased to welcome TRISPEC Communications as our partner in Canada. Together we will ensure Canadians have the most powerful communications equipment available. TRISPEC solutions and Advantech Wireless products - a WIN-WIN combination!" exclaims Pierre Cardinal.
