Clear My Head Herbal Care Products Announces *Linen Mist* Aromatherapy Line

Clear My Head Herbal Care Products has bottled their classic aromatherapy into a pump spray mist to be applied directly to spa linens or released into the air. While most linen sprays contain a floral scent, like lavender or jasmine, *Linen Mist* offers three original Clear My Head formulas.

The *Linen Mist 2go Formula* contains the original Clear My Head aromatherapy sinus blend. *Ache* Linen Mist offers the classic combination of scents, ideal for relieving tension headaches. Finally, "Sky High," adds a refreshing touch of lemon to the *2go Formula*.

"Some of our customers set our herbal inhalation jar on the floor, beneath the face cradle," says Brenda Stansfield, founder and owner of Clear My Head. "The Linen Mist line lets the client experience the full benefits of our aromatherapy, up close."

Linen Mist from Clear My Head comes in a 4 ounce pump spray and retails for \$15. Eight-ounce, SpaPro bottles are also available. For more information, contact Clear My Head Herbal Care Products by calling (937) 847-2222 or go online to www.clearmyhead.com.
