

KEEP PORTLAND WEIRD!

A STUMPTOWN ADVENTURE

Welcome to the Jupiter Hotel, your home base for The Stumptown Adventure! In your room, you will find covert clothing to help you go undercover in the City of Roses: go ahead and don your flannel, glasses and 'stache, and hit the town!

This map includes highlighted "Weird" locations, killer discounts around town, and Stumptown BINGO, which we encourage you to start playing now! You'll probably spot a few of these Portland icons on your way to your room, if not before you step off property.

A few tips on traveling in PDX: the Willamette River and Burnside Street divide the city into four quadrants. Taxis, pedicabs and bus lines abound- and it's easy to find your way by bike. You can always call the front desk if you get lost at 877.800.0004.
