

## Saint Luke's College of Health Sciences Selects Edvance360 LMS-SN

Saint Luke's College of Health Sciences, an educational leader in Kansas City, selects Edvance360 to augment its Bachelor of Science in Nursing degree program.

**(Virginia Beach, VA)** Edvance360, a leading provider of eLearning services and software solutions, announced that Saint Luke's College of Health Sciences has recently joined the growing Edvance360 LMS-SN community of users. (<http://www.edvance360.com>)

Saint Luke's College of Health Sciences is an educational leader serving exceptional students pursuing undergraduate and graduate degrees in health-related disciplines. As an independent institution of higher education closely affiliated with Saint Luke's Hospital, the College seeks to prepare leaders to effectively meet health care needs in complex organizations and diverse social environments. A broad base of knowledge derived from general education studies is integrated into each program as a foundation for personal growth, professional education and practice. A stimulating academic environment, employing multiple modes of instructional delivery, supports a curriculum that enhances thinking, promotes high quality, safe, evidence-based practice, develops leadership potential, fosters a community service orientation, and encourages lifelong learning.

"We are excited at the opportunity to offer a full service learning management system to our Saint Luke's College of Health Sciences community," says Dr. Jeanne Wissmann, Interim Dean and Professor at SLCHS. "Our partnership with Edvance360 will allow us to enhance the learning opportunities and access for our traditional BSN courses as well as enable us to offer distance education courses within our new RN-BSN program."

We invite you to consider joining Edvance360. We offer:

- **Unparalleled Personal Support** – Edvance360 is a demonstrated leader in its commitment to personalized support for its clients.
- **Affordable Pricing** – Edvance360's pricing is significantly lower than any of the other commercial vendors. Pricing is regularly 30%-50% below competitor prices.
- **Forward-Thinking Commitment** – Edvance360 was the first LMS to combine social networking and other Web 2.0 tools (Wikis, Blogs, RSS feeds, etc.) with the academic features in a Learner Management System.
- **Open Standards and Specifications** – Edvance360 supports SCORM and Common Cartridge
- **Learning Outcome Management (LOM)** – Use our intuitive LOM tools to assess and manage learning outcomes on student, course, and institutional levels (no additional cost).
