With a state of the art body scanner to give you your accurate body shape, lots of free offers, makeovers and advice, plus a special VIP night with hunks in trunks handing out ice cream and bubbly, it's going to be a fun event for everyone.

Fashion Rescue

Upper Regent Crescent outside Topshop
Mon-Fri 2pm-10pm and all weekend.

Your chance to experience the ultimate body scan

Fashion and beauty magazines are always preaching that we should be aware of our body shape.

But we all know, the way clothes fit can differ dramatically from shop to shop. But with our free body scanner you can now learn your body shape down to the last millimetre.

Just step into the scanner and within 8 seconds you'll have a print out of all your vital statistics, complete with details of what sizes are right for you label by label. There will also be fashion stylists on hand from a different store each day from 2pm till 6pm if you would like to make a personal styling appointment and they will also be on hand from 6pm onwards to advise customers with scanner appointments, on the right styles for their particular body shape. So choose when you'd like to come and book your appointment. But be quick!
