

CURRICULUM VITAE

NAME: Burton Richard Reed, PT, OCS, FAAOMPT

ADDRESS: 3889 Butcher Bend Road
Mineral Wells, WV 26150

TELEPHONE: 304-489-9570

DATE OF BIRTH: November 5, 1969

WIFE: Sandra

SONS: Garrison, Brodrick

DAUGHTER: Eliana

EDUCATION: Bachelor of Sciences in Physical Therapy 1995
West Virginia University

Bachelor of Arts in Rehabilitation 1992
Minor in Psychology
West Virginia Wesleyan

LICENSES/MEMBERSHIPS:
WV Board of Physical Therapy License # 001444
Member APTA since 1995
Member WVPTA

CLINICAL AFFILIATIONS:

Fairmont General Hospital
Fairmont, WV

Charleston Area Medical Center
Charleston, WV

Mountainview Rehabilitation Center
Morgantown, WV

PROFESSIONAL EXPERIENCE:

Owner-Mountain River Physical Therapy 7/99-present
Mineral Wells, WV 26150

Staff Physical Therapist 11/95-4/99
Mountain State Physical Therapy
Fairmont, WV

SUPPLEMENTAL EDUCATION:

24th Annual Jose I Ricard Family Medicine 11/10
& Sports Medicine Conference
Flatwoods, WV

McConnell Approach to Low Back and 09/10
Leg Pain
Jenny McConnell, B.App.Sc(Phty), Grad. Dip.
Man. Ther., M. Biomed Eng.
Parkersburg, WV

<p>McConnell Update on Latest Knee, Shoulder and Hip Research and Technique Jenny McConnell, B.App.Sc(Phty), Grad. Dip. Man. Ther., M. Biomed Eng. Parkersburg, WV</p>	09/10
<p>Current Concepts in Evaluation and Treatment of Running Related Conditions Barbara J. Hoogenboom, PT, EdD, SCS, ATC San Diego, CA</p>	02/10
<p>Combined Sections Meeting of the American Physical Therapy Association San Diego, CA</p>	02/10
<p>Introductory Course, L1 Trigger Point Dry Needling Elkridge, MD</p>	01/10
<p>Selective Functional Movement Assessment: An Evidence-Based Clinical Model to Address Regional Interdependence Level 2 Gray Cook, MS, PT, OCS, CSCS Kyle Kiesel, PT, PhD, ATC, CSCS Parkersburg, WV</p>	01/10
<p>Selective Functional Movement Assessment: An Evidence-Based Clinical Model to Address Regional Interdependence Kyle Kiesel, PT, PhD, ATC, CSCS Parkersburg, WV</p>	11/09
<p>Attended National FAAOMPT Conference Washington, DC</p>	10/09
<p>Osteoporosis – A Comprehensive Treatment Strategy – Level 2 Sara M. Meeks, PT, MS, GCS Parkersburg, WV</p>	08/09
<p>The ASTYM System to the Lower Extremity Pelvis & Lumbar Spine John Zanas, PT, CSCS, PES David Rubsam, PT, OCS Sue Creel, PT, ATC Indianapolis, IN</p>	04/09
<p>The ASTYM System to the Upper Extremity And Shoulder Girdle John Zanas, PT, CSCS, PES David Rubsam, PT, OCS Sue Creel, PT, ATC Indianapolis, IN</p>	04/09
<p>Functional Movement Screening and Corrective Exercise Workshop Brett Jones Parkersburg, WV</p>	03/09

Craniocervical & Craniomandibular Pathophysiology Approach to Treatment II Dr. Mariano Rocabado, DPT Parkersburg, WV	02/09
Combined Sections Meeting of the American Physical Therapy Association Las Vegas, NV	02/09
Osteoporosis – A Comprehensive Treatment Strategy – Level 1 Sara M. Meeks, PT, MS, GCS Parkersburg, WV	12/08
Craniocervical & Craniomandibular Pathophysiology Approach to Treatment Dr. Mariano Rocabado, DPT Parkersburg, WV	11/08
Attended National FAAOMPT Conference Seattle, WA	10/08
McConnell Approach to the Lower Extremity And the Problem Shoulder Jenny McConnell, B.App.Sc(Phty), Grad. Dip. Man. Ther., M. Biomed Eng. Parkersburg, WV	08/08
Evidence-based Examination and Selected Interventions for Patients with Cervical Spine Disorders Rob Wainner, PT, PhD Parkersburg, WV	07/08
Evidence-based Examination and Selected Interventions for Patients with Lumbopelvic Spine and Hip Disorders John D. Childs, PT, PhD Parkersburg, WV	06/08
Recent Advances in the Evaluation and Treatment of the Shoulder and Knee Kevin Wilk, PT, DPT Parkersburg, WV	04/08
Attended National FAAOMPT Conference St. Louis, MO	10/07
Craniovertebral-Craniomandibular Disorders In Headache Patients Dr. Mariano Rocabado St. Louis, MO	10/07
Beyond the Slump Test Jack Stagge, PT, OCS, FAAOMPT Parkersburg, WV	05/07
Recent Advances in the Evaluation and Treatment of the Shoulder & Knee Kevin Wilk, PT, DPT Parkersburg, WV	04/07

Extremity Joint Manipulation Jim Meadows, FCAMT Parkersburg, WV	03/07
Differential Diagnosis and Treatment of The Orthopedic Patient with Upper Extremity Radicular Symptoms Jack Stagge, PT, OCS, FAAOMPT Parkersburg, WV	02/07
The Upper Quarter Pain Puzzle Jack Stagge, PT, OCS Parkersburg, WV	02/07
Attended National FAAOMPT Conference Charlotte, NC	10/06
The Chronic Neck Pain Patient: An Alternative Approach Jim Meadows, PT, FCAMT Parkersburg, WV	08/06
Level II Peripheral Manipulation Jim Meadows, PT, FCAMT Dallas, TX	07/06
A Case Based Program for Orthopedic Assessment and Manual Therapy Interventions: Advanced Clinical Practice: Manual Therapy for the Upper Quarter Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV	07/05
A Case Based Program for Orthopedic Assessment & Manual Therapy Advanced Clinical Practice: Manual Therapy for the Lower Quarter Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV	05/05
Considerations for the Management of Neck Pain: Biomechanical Assessment of the Cervical Spine Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV	03/05
Considerations for the Management of Low Back Pain: Classification Systems Richard Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV	01/05
Considerations for the Management of Neck Pain: How to Not Treat the Neck Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV	12/04

<p>Considerations for the Management of Low Back Pain: The Pelvic Component Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV</p>	10/04
<p>Clinical Decision-Making for the Orthopedic Clinician: The Lower Quarter Richard E. Erhard, DC, PT Michael Timko, PT, MS, OMT Morgantown, WV</p>	06/04
<p>The Science of Stability: Clinical Application to Assessment and Treatment of Segmental Spinal Stabilization for Low Back Pain Northeast Seminars Paul Hodges, Ph.D., B.Phty (Hons) Pittsburgh, PA</p>	10/03
<p>Spinal Instability – Whole Spine Stabilization University of St. Augustine Stanley Paris, PhD, PT Charleston, WV</p>	6/03
<p>Dynamic Stability & Muscle Balance of the Sacro-Iliac Joint Manual Therapy Seminars of Colorado Mark Comerford B. Phty, MCSP, MAPA Denver, CO</p>	3/03
<p>Lumbar Local: Dynamic Retraining of the Intrinsic Musculature in the Local Stabilization System Manual Therapy Seminars of Colorado Mark Comerford B. Phty, MCSP, MAPA Denver, CO</p>	3/03
<p>Level II: Segmental Spinal Stabilization & Diagnostic Ultrasound Imaging Manual Therapy Seminars of Colorado Paul Hodges, Phd, B. Phty Denver, CO</p>	11/02
<p>Level I: Segmental Spinal Stabilization Manual Therapy Seminars of Colorado Paul Hodges, Phd, B. Phty Denver, CO</p>	11/02
<p>Current Management of the Lumbar Spine West Virginia University Scott Davis, MS, PT, OCS Morgantown, WV</p>	10/02
<p>Functional Job Analysis & Prework Screening Isernhagen Work Systems Susan Isernhagen, PT Mineral Wells, WV</p>	04/02
<p>PNF Gait: Pre-Gait and Gait PNF Activities The Institute of Physical Art Greg Johnson, PT Fort Howard, VA</p>	03/01

PF Dysfunction Examination and Treatment Methods Kate Grace, PT, OPA-C Huntington, WV	03/00
BET: Brace Education and Training The Institute of Physical Art Functional Kinestism Assessment Kathy Johnson Baltimore, MD	02/00
F01-Functional Orthopedics I The Institute of Physical Art Joint Mobility, PNF, Body Mechanics & Rehabilitation Exercise Programs Paul Abler, PT, OCS Winchester, VA	11/99
S3-Advanced Evaluation and Manipulation of Cranio-facial, Cervical and Upper Thoracic Spine Stanley Paris, PhD, PT Atlanta, GA	10/98
S2-Advanced Evaluation and Manipulation of Pelvic, Lumbar, And Thoracic Spine Stanley Davis, PhD, PT	10/97
S1-Introductionion to Spinal Evaluation And Manipulation Stanley Paris, PhD, PT Philadelphia, PA	04/97
Evaluation and Treatment of Sacroiliac Joint Dysfunction Stephen Murphy, MS, PT, OMT Fairmont WV	02/97
Evaluation and Manipulation of Upper Cervical Spine Stephen Murphy, MS, PT, OMT Fairmont, WV	08/96
Basic Upper Extremity Course Paul Rocker Pittsburgh, PA	07/96

PRESENTATIONS:

Presented at Ohio University <i>"The Business Plan – A Road Map To Success"</i>	05/08
Presented at West Virginia University <i>"Manual Therapy Peripheral Manipulation"</i>	11/07
Presented at the dental office of Dr. Jay Gerber <i>"Physical Therapy Treatment of the Cervical Spine in TMJ Patients"</i>	02/07

Presented at AEP <i>"Industrial Presentation"</i>	02/07
Presented at Wood County Board of Education Inservice Training for Service Personnel <i>"BACK to the Basics"</i>	10/06
Presented at Physical Therapy Ground Rounds West Virginia University <i>"Evaluation of the Sacroiliac Joint in patient's with Low Back Pain"</i>	09/98
Presented at APTA Combined Section Meeting of Atlanta, GA <i>"The Effects of Hinged and Rigid Ankle-Foot Orthosis on the Sit to Stand Maneuver."</i>	02/96
