

Do More with Less this Annual Reporting Period.

Try this online cost effective solution for free!

A large number of FOIA professionals already recognize that their existing resources and business process are lagging behind a constantly growing and ever more challenging workload. Given all the obstacles faced by FOIA teams, it is key to automate the production of your Annual FOIA Report to be more efficient.

Do you struggle to produce your Annual FOIA Report?

Are you tired of using an inadequate tool that does not generate your report automatically?

Discover Your Trusted, Reliable FOIA Partner.

We understand your problems.

Whether you are a small department receiving a few dozen requests, a component receiving several hundred to a few thousand, or an agency responsible for consolidating data from your components to produce an agency report, Privasoft is pleased to introduce the most efficient way to produce your Annual FOIA Report.

Here is how we can help. Using our FOIA solution you can:

- ❖ Accurately produce the report in minutes
- ❖ Ensure 100% compliance with DOJ guidelines
- ❖ Automatically submit approved report data to respective parent agency
- ❖ Retrieve data from multiple departments to generate the Agency Report
- ❖ Track, manage, process cases (requests and appeals)

As an organization, we have been solving problems faced by FOIA teams around the world for nearly 20 years – helping departments and agencies to achieve FOIA goals, no matter how big or small.
