The Cleaning Station is the ultimate ergonomic organizer. This sleekly designed free-standing system fits and enhances any décor. A user-friendly process: **PULL, SPRAY, WIPE, TOSS, CLEAN HANDS** promotes good hygiene habits, protecting your customers from germs.

WET OR DRY TOWELS

The Cleaning Station offers extreme versatility, allowing users to choose from either a pre-moistened wipe or the economical dry towel and disinfectant spray to clean surfaces.

DISINFECTANT

The Cleaning Station holds up to four spray bottles, offering a disinfectant or other cleaner, right at your fingertips.

TRASH RECEPTACLE

Keep unsightly waste out of view. Maintenance is quick and easy with this removable dispenser.

HAND SANITIZER

The Cleaning Station houses a built-in dispenser, necessary for disinfecting hands to stop the spread of germs.

CONVENIENT SHELVES

Organize tissue boxes, facility literature, and consumables on The Cleaning Station's four convenient shelves.
