

LPG BEAUTY APPLICATIONS

Body & Face Care
Endermologie®

100% NATURAL

A woman with long blonde hair, wearing a black dress, is sitting on the floor and smiling. She is looking towards the camera. The background is a light, neutral color.

LPG 4 BEAUTY GOALS FOR THE BODY

Body Care with Lipomassage™ :

Targets skin aging, fat storage, cellulite, and lost shape of the face

1-Smooth Cellulite by stimulating and softening fatty cells and the lymphatic system to remove toxics and water retention under the skin

2 Re-sculpt the figure by precisely reshaping specific areas for volume rebalancing to restore the body's ideal shape

3-Firms the skin by stimulating fiber blasts and activation of Collagen and Elastine

4-Slim down fat cells by accelerating lipolysis=70%

LPG 4 BEAUTY GOALS FOR THE FACE

Face Care with Endermolift™ :

Targets the complexion, smoothes wrinkles, and tightens skin, particularly around the shape of the face.

- 1- Replenish by cell stimulation
- 2- Firms by lifting
- 3-Clarify
- 4-Redensify by

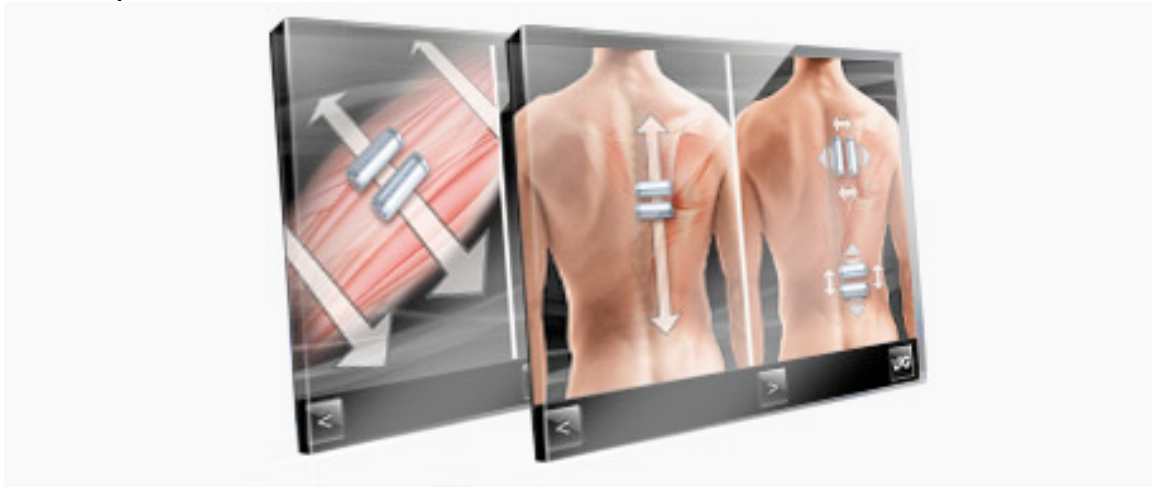

Endermotherapie:

Treatment for connective tissue, targets scars, swelling, and lymphatic and venal circulatory problems.

Treatment for osteomuscular therapy, targets stiff joints, muscle diseases, tendons, and ligaments.

.Prepares an athlete's muscles for sports before exercise and improves recovery afterwards

Who is lipomassage for ?

Women:

Do you have cellulite?

Do you store stubborn fat, despite a healthy lifestyle?

Do you want to reshape your body and keep your skin firm?

Do you want to regain your figure after pregnancy?

Are you going through menopause, but don't want to undergo the hormonal changes that thicken the waist, back, and arms?

Men

Do you have love handles?

Do you store stubborn fat, despite a healthy lifestyle?

Are you losing weight, and you want to sculpt your body?

Have you lost weight, and you want to keep your skin firm and elastic?
