An Important Message to All Car Buyers

What has made Preferred Warranties Inc. one of the fastest growing Extended Service Contract providers in the U.S.?

Dependability.

Preferred Warranties' plans are available only through select dealerships. They've proven that they know cars, and that they deal in quality, dependable pre-owned vehicles.

But whether a car is new or used, foreign or domestic, things break. This is why the protection plan you buy is every bit as important as the vehicle you buy. And this is why Preferred Warranties' service contracts are being chosen by more and more car buyers every day.

When something breaks, Preferred Warranties Inc. has you covered. If the problem is covered in the protection plan you've chosen, you can count on quality repairs and fast, hassle-free payment. Period.

You get peace-of-mind. We get the best advertising there is: the recommendations and loyalty of satisfied customers and dealers.

We welcome your comments, as well as any suggestions you might have on how we might improve our protection plans and service. I invite you to write, fax or e-mail your comments directly to me. Remember, our goal is simple: Your Satisfaction. Guaranteed.

Sincerely,

Wayne Herring

"What do I do if my car breaks down or won't start?"

No problem. You're covered for up to \$75 of emergency assistance for towing, dead battery and more – even flat tires or running out of gas. Just call our 24-hour toll-free number, and keep your money in your pocket. Before being towed, call the PWI Claims Department for a nearby shop.

"What do I do if I think I have a claim?"

Call us. We'll make sure your problem is covered, and tell you what to do next. Our phones are staffed during traditional business hours, and our answering service is available to take messages 24 hours a day. Or visit us online to open a claim, and we'll call you back during business hours.

"Can I use my regular repair shop?"

Yes. We'll be glad to work with them, and our experienced claims adjusters can make sure that the repairs are made right and the costs are fair. If you don't have a favorite shop, we can probably refer you to one in our network of quality repair centers.

"Who pays the shop?"

We make every effort to pay the shop directly so you keep your money in your pocket. If you choose a shop that won't accept direct payment, we'll reimburse you promptly.

"How long will that take?"

Less than a week. Once the repair is finished and we've received the paperwork, your claim will be processed and mailed within five working days. *Guaranteed!*

"What if something breaks when I'm out of town?"

With our vast network, we'll probably be able to find a quality repair center for you anywhere in the country.

"How do I get a Preferred Warranties' service contract?"

Only from your dealer when you purchase a vehicle. Just review the options, costs, and contract with your dealer, and choose your plan. No extra vehicle inspection will be necessary. You'll get your Preferred Warranties' service contract at the same time that you purchase your car. (NOTE: This will be your only chance. If you decline the coverage, you cannot change your mind at a later date.)
