\$59*
per splint

*Soft, comfortable
polyurethane inner layer*

*Hard, durable
co-polyester outer layer*

The Comfort H/S Hard Soft Bite Splint is a clear splint that is designed to take the shock out of parafunctional habits. Each splint is made with a standard flat occlusal plane and slight opposing cusp indentation or to your specific bite plane needs. The co-polyester and polyurethane materials are BPA-free and manufactured in Germany by ERKODENT®, an ISO-certified company.
