Cold beer, eh? The Get Wet Beach Bar is nestled under the trees in the shopping district of downtown Philipsburg on the beautiful Boardwalk of Great Bay beach. Next door to the historic Passagrahan Hotel, Get Wet is ideally located within a 5 minute walk to the cruise ship tender docks. From the outdoor deck, we have the most beautiful view of the busy ship harbour and turquoise sea. Almond, Coconut and Genip trees provide a canopy of shade to chill out and a family of sugar birds hang there and provide hours of entertainment with their antics. The excited chirps and long line-ups for the hanging brown sugar feeder is positive proof that sugar is addicting! Get Wet is a scenic and friendly atmosphere which attracts a culturally diverse group of customers. It's a popular meeting place for tourists, crew from the many ships and also the local people, the ones who call SXM home. We serve up great BBQ burgers, island-style ribs, chicken, salads and paninis. We also feature a Canadian dish called Poutine which is crispy french fries topped with grated cheese melted under hot brown gravy. Our Caribbean cook makes a homemade Fish Soup which is a delicious creamy blend of locally caught fish, fresh vegetables and herbs. The best deals on the beach are right here at our bar. Where else can you get a BBQ Hot Dog and crispy fries for only \$3? We have a special price for Heinekens...2 for \$3. We have beach chair rentals for \$5 a day. Add an additional \$5 for a frozen Guavaberry Colada and you're livin the life in paradise. We have the sun and the beach, we have the shady deck, we have great food and an unforgettable atmosphere. We really think that you should come see for yourself. See you there!

Love it!

Get Wet is a must for me every time I visit the island. Lynne, Phil, Matt and Ursula make me feel like family every time I visit. If you are there when Ursula has whipped up her homemade goat soup you are in for a real treat. Don't pass it up!

Business Listing - Reviews

Past customers can join our website to leave reviews of their experience with your business. Businesses with reviews are more likely to be frequently than businesses without reviews so we recommend business owners to encourage their customers to write reviews on our website. What is different on StMartin.com and StMaarten.com is that the business owner can respond to customer reviews. You can thank your customers for a great review or notify of improvements if you received a less than perfect review. An open dialogue with business owners and customers will improve your business and their experience.
