

Press Release - For Immediate Release

NATPAY to attend the 2011 SHRM Annual Conference and Exposition with Green HR Solutions

NATPAY will demo its latest version of the innovative solution — DOCULIVERY, at booth #1031

Tampa, FL – June 14, 2011 — National Payment Corp (NATPAY), a provider of ONLINE document solutions announced today its participation in the 2010 SHRM Annual Conference and Exposition from June 26th through June 29, 2011. NATPAY will showcase DOCULIVERY, its innovative Payroll, Human Resources and Financial Services solution for document management, AP/AR, and employee/manager self-service needs.

NATPAY will be appearing as an exhibitor, Booth #1031, at the 2011 SHRM Annual Conference and Exposition in Las Vegas to introduce its latest release of DOCULIVERY. NATPAY will present DOCULIVERY, a SaaS (Software as a Service) solution for corporations focused on reducing G & A costs by optimizing payroll functions and document management services, streamlining human capital operations, increasing cash flow for AP/AR operations and providing time saving solutions to other paper-related processes.

Enterprise corporations such as Family Dollar, Chick-fil-A and Westinghouse have achieved substantial productivity gains and cost reductions by successfully implementing DOCULIVERY. The SaaS solution is based on NATPAY's extensive experience in developing online payroll distribution solutions for over 7,000 clients across the nation.

"Many companies are searching for a SaaS solution but are hesitant to adopt a process that takes months or years to implement. A faster integration means better cash management and a quicker ROI, reducing G&A costs in every major profit center, from AP/AR to Human Capital Management," remarked Christian LaFrate, Director of Sales and Marketing. "We are excited to present the latest version Doculivery at the SHRM conference as the perfect SaaS Solution for mid-market and enterprise companies that want the best value and service in an online document management solution."

NATPAY's website offers an overview of the entire portfolio and a comprehensive list of client testimonials and case studies. To learn more about the DOCULIVERY solution, please call 1-800-284-0113 or visit the company's website at <http://www.nationalpayment.com>.

About National Payment Corporation

National Payment Corporation is an innovator in the online document solutions industry with over 20 years of information distribution experience. National Payment provides online document solutions to over 7,000 clients across the nation. National Payment Corporation processes over 4 million monthly statements and over \$7 billion dollars of customer funds annually and maintains a 99% accuracy rate. With customized SaaS (Software as a Service) solutions and online document management services, NATPAY provides their clients relief from administrative hassles so they can focus on their human capital needs and profitability by reducing G&A costs and streamlining business processes. In addition to its core payroll distribution solutions for small to mid-sized companies, NATPAY meets the more complex requirements of large businesses with DOCULIVERY — a comprehensive document management solution for Payroll, HR and Information Management professionals that solves business problems for clients of any size.
