

XGRASS
LAWN

Perfection Achieved.

And you still have the entire day to yourself.

XGRASS
LAWN

For many homeowners, a perfectly manicured lawn is a thing of beauty and a source of pride. Achieving and maintaining that kind of perfection isn't easy. The solution? XGrass Lawn.

XGRASS

XGRASS LAWN

XGrass Lawn provides the "fresh cut" appearance of natural grass... without all the upkeep. Even in the driest conditions, this Xtraordinary Surface will provide homeowners with a beautiful lawn.

Tri-State Turf – AZ

Benefits

- Requires no water
- Requires no chemicals, fertilizer or insecticides
- Reduces allergy symptoms
- Provides handicap accessibility
- Prevents injuries associated with rocks and ground debris
- Safe for pets
- Available in a variety of styles to match the indigenous grasses of your region

Like every XGrass® product, XGrass Lawn is backed by the best. We offer a variety of styles with traditional urethane backing and eco-friendly options featuring DuraFlo backing.

DuraFlo backing

- All polyolefin backing system
- 100% recyclable
- *Permeable:* More than twice as permeable as traditional urethane and far less likely to clog than hole-punched products
- *Dimensionally stable:* Polyolefins absorb no moisture, preventing expansion and contraction
- *Soft & Pliable:* Forms to the contours of the land without producing wrinkles

Commercial Applications

The same qualities that make XGrass Lawn ideal for residential use also apply to commercial use. From greenways to medians, parks and developments, municipalities throughout the country are discovering the economical and environmental benefits of artificial grass.
