XGRASS[®] SPORT

Amateur to professional... indoor or outdoor... XGrass Sport allows you to create sports fields of any shape or size. From custom inlaid logos to permanent lines, we will make any field that you require.

Benefits

- Safe
- Durable
- Professional appearance
- Maintenance free
- Requires no water
- Requires no chemicals or fertilizers
- Meets G-Max ratings

The XGrass Sport line features an unlimited selection of custom products, all manufactured with first quality yarns and quality control that surpasses the competitors' brands. We offer complete turf-related solutions for:

- Golf mats
- Soccer fields
- Football fields
- Baseball fields
- Lacrosse
- Field Hockey
- Bocce & Croquet

Like every XGrass[®] product, XGrass Sport is backed by the best. We offer a variety of styles with traditional urethane backing and eco friendly options featuring DuraFlo backing.

DuraFlo backing

- All polyolefin backing system
- 100% recyclable
- Permeable: More than twice as permeable as traditional urethane and far less likely to clog than hole-punched products
- Dimensionally stable: Polyolefins absorb no moisture, preventing expansion and contraction
- Soft & Pliable: Forms to the contours of the land without producing wrinkles

XGrass Sport allows you to create sports fields of any shape size or color.
