READ WHAT MEMBERS ARE SAYING ABOUT FRIENDBURST:

"I cannot think of one thing that I do not like about FriendBurst! Nothing. To me, FriendBurst is a cut above the old Myspace venue. If I were to pick one thing about this place over everything else, it would have to be the hard work that you and Karen have done and are doing to make this site the most user friendly site I have ever been on bar none, as well as the relationships that you try to maintain with its users." –IAMRCx

*"It's a community feel here instead of just a social networking site, it feels warm and cosy, sorta like a snuggle blanket :) You feel included...I am very grateful you and Karen started it here. :)
Much love and appreciation love." –sixx*

Friendburst, a place for sharing. It is a place where you can share your creativity, knowledge, beliefs, interests and most important "Friendship," in a fun, fast and easy way.

We were one of the most popular poetry sites on MySpace ~ when MySpace migrated to 3.0 we began looking for a site that allowed social interaction on the blogs so we could continue offering the sort of interaction that we were accustomed to. Non quite measured up, until we found Friendburst!!! So we planned our move and are settling in... We so look forward to providing a social poetry site that truly ROCKS on Friendburst ~ See you 1 May 2011 Woo Hoo"
