### **Why Nihill & Riedley?**

- Proven track record helping organizations and individuals manage their tax situations
- Uncompromised client commitment
- Principals on engagements
- Experienced accounting, finance and tax professionals
- Attractive fee structure

Understanding and keeping up with taxes can be a daunting task even for a very bright physicist. Tax laws are complex and change on a regular basis. They impact the bottom line and can have severe consequences if they are not interpreted correctly. Not to mention those pesky deadlines.

At Nihill & Riedley, we offer tax planning, resources and advice for both public and private companies across a variety of industries. Our tax professionals are highly credentialed, have worked in companies as well as on diverse tax engagements as consultants. Their expertise is honed so they can quickly interpret complex tax issues and offer practical and effective solutions in the areas such as:

- Tax Compliance
- Accounting for Income Taxes (ASC 740, formerly FAS 109)
- Tax Planning and Consulting
- State and Local Taxes
- Tax Controversy Services

### ***How can Nihill & Riedley help ease your tax burden?***

- Provide outsourced and co-sourced tax support solutions
- Offer both tax compliance and provision services
- Help interpret complex tax laws for your specific situation
- Determine the best tax strategies that fit your organization
- Provide tax services throughout the entire business life cycle
- Support your tax team during busy season
- Improve your tax systems, policies and procedures
