

**JIM BOB AND MICHELLE DUGGAR** married in 1984. Sometime after the birth of their first child, they prayed that God would give them a love for children like his love for children and that he would bless them with as many children as he saw fit in his timing. Soon after, Michelle became pregnant with twins! The Duggars currently have ten boys and nine girls, and all their names begin with *J*—Joshua, Jana and John-David (twins), Jill, Jessa, Jinger, Joseph, Josiah, Joy-Anna, Jedidiah and Jeremiah (twins), Jason, James, Justin, Jackson, Johannah, Jennifer, Jordyn-Grace, and Josie.

In addition to their regular program on TLC/Discovery Health, they regularly appear on the *Today Show*. They have also appeared on *The Early Show*, *The View*, *Inside Edition*, *Jimmy Kimmel Live!*, Fox News Network, CNN, MSNBC, and others.

As a family project, the Duggars built a seven-thousand-square-foot home. Both Jim Bob and Michelle are licensed real estate agents and conduct Jim Sammons's Financial Freedom Seminar in their community. They purpose to live completely debt-free—postponing purchases until they have the cash. Jim Bob served in the Arkansas House of Representatives from 1999 to 2003 and was a candidate for the U.S. Senate in 2002.

## AN UP-CLOSE VIEW OF ONE OF AMERICA'S LARGEST FAMILIES

In the Duggar family, love most assuredly multiplies. Duggar-style multiplication includes not only more children but also new adventures, unexpected challenges, ongoing creativity, and of course, an increasing faith.

This second book from the Duggars gives us an up-close view of the new life stages of their growing family. With over seventy photos and a very personal look at this inspirational family, you'll learn how to infuse your own family with faith, fun, and a purposeful future; and how to have—as Michelle says—"serene chaos" in your home.

This inside look into the Duggar home reveals answers to questions like...

- Do the Duggars plan to have *more* children?
- How on earth do the Duggars manage such a large family?
- How does their faith shape their lifestyle?
- What do they believe and not believe?
- How do the Duggars make faith fun?
- Do the Duggar children date?
- How do they teach their children principles like forgiveness, conflict resolution, and self-control?
- How are the older Duggar children preparing for adulthood, careers, and marriage?
- What have Jim Bob and Michelle learned from their mistakes, and how do they pass those lessons on to their older children?

You'll find answers to these questions and many more, but more important, you'll learn how to adapt what they've learned to your own family.
