LIFECYCLE MANAGEMENT SOLUTIONS****New agreement expands the delivery of AvePoint's SharePoint infrastructure management  
solutions and Techtra's services throughout Canada**

**Brossard (Québec), June 28, 2011** – Techtra, a winner of the 2010 Microsoft Partner Network IMPACT Awards and a leading provider of Business Processes Automation and Advanced Information Management solutions, today announced a partnership agreement with AvePoint, a proven leader in providing lifecycle management software solutions for Microsoft SharePoint. Techtra has become a value-added reseller of AvePoint technologies, and both companies will work together to integrate AvePoint's products and Techtra's services for customers throughout Canada.

“Both AvePoint and Techtra share a longstanding commitment to the SharePoint community and possess deep knowledge of Microsoft technologies,” said Nathan Trenzinger, AvePoint Vice President of North America & EMEA Alliances. “We look forward to the future of this new partnership, which will bring great value to customers across Canada by synthesizing AvePoint's renowned software solutions with Techtra's commitment to help organizations reap the full business benefit of their SharePoint deployments.”

AvePoint's award-winning DocAve Software Platform is a comprehensive, fully integrated lifecycle management solution for organisations seeking to unleash SharePoint's full business potential. With a unified, browser-based user interface and a fully distributed architecture, DocAve offers more than 30 independently deployable modules for SharePoint data protection, administration, replication, migration, archiving, deployment management, reporting, storage optimisation, and content lifecycle management.

Techtra is renowned in the Canadian marketplace for delivering high-quality, enterprise information management solutions and services and has successfully completed more than 500 SharePoint implementations. By teaming up with Techtra, organisations now have access to the best of two worlds: a dedicated partner with a deep understanding of SharePoint challenges and proven practices and the most comprehensive set of tools for the SharePoint ecosystems provided by AvePoint.

“The new alliance between Techtra and AvePoint is a great opportunity for two forward-thinking companies with high standards of technical expertise and best-of-breed solutions to coordinate their actions,” said Andre Larose, Techtra's President. “Partnering with AvePoint ensures we can continue offering the Canadian SharePoint community the high-caliber tools and expertise they require to bolster their IT infrastructures and respond to changing business needs.”
