COVINGTON, KY HOTELS WELCOMES GUESTS ATTENDING PAUL MCCARTNEY CONCERT

Marriott Cincinnati RiverCenter Hotel and Embassy Suites Cincinnati RiverCenter Hotel offer hotel packages, which add to the excitement of legendary rock star's performance.

Cincinnati, OH – Paul McCartney's musical career is the stuff of legends. After his tenure with arguably the most famous rock band of all time, he formed Wings and worked on numerous other projects, including solo efforts. When Paul McCartney announced he was performing at the Great American Ball Park in Cincinnati, August 4, plenty of buzz circulated, as fans scoured for seats, searched for the best deals and booked hotel rooms. Thankfully, two hotels near downtown Cincinnati—the Marriott Cincinnati RiverCenter Hotel and the Embassy Suites Cincinnati RiverCenter Hotel—have available accommodations for those who are traveling to see the legendary Beatle perform. Additionally, these Cincinnati

riverfront hotels have announced two hotel specials that hope to make the concert experience even more special.

These hotel packages, while not directly affiliated with the Great American Ball Park or the Paul McCartney concert, will help guests plan an exciting weekend trip. Guests can arrive for the concert and stay for all the unique attractions in Cincinnati.

At the Embassy Suites Cincinnati RiverCenter Hotel, the Entertainment on the Levee Package offers guests a \$50 gift card valid at restaurants, merchants and the nearby Newport Aquarium. Guests will also receive a coupon book filled with savings for shops and restaurants at the Levee. Finally, guests will enjoy overnight accommodations at the Embassy Suites hotel, a signature cooked-to-order breakfast and nightly Manager's Reception, all free of charge. This special offer can be booked now at the [Embassy Suites Cincinnati RiverCenter Hotel website](#).

Nearby, the Marriott Cincinnati RiverCenter Hotel offers the Where Weekends Begin special. Perfect for guests who wish to explore Cincinnati after Sir McCartney's performance. The weekend special includes free breakfast for two adults, free Internet access and late check-out. Guests must reserve this hotel special at least seven days in advance. This package is available now until September 5, 2011, and can be booked online on the [Marriott Cincinnati RiverCenter Hotel website](#) using promotional code F2V.

Paul McCartney has not performed in Cincinnati since 1993. The Great American Ball Park hopes that this major performance will help entice other major acts to make an appearance. Of course, it will be hard to top such a legendary musician. Those interested in tickets to the Paul McCartney concert are encouraged to obtain tickets now.
