"AN AMERICAN IS NOT ONLY THE INDIVIDUAL WHO MAY FIND ON THESE SHORES A COMPANION IN PROVIDENTIAL IDEALS HOWEVER, IT IS TRULY AND ONLY THESE PROVIDENTIAL IDEALS THAT DEFINE AN AMERICAN! IT IS A PULSE THAT RESONATES WITH THE RHYTHM OF TRUTH IN PEOPLE OF ALL NATIONS WHOSE HEARTS BEAT WITH THE CADENCE OF BUT ONE WORD! FREEDOM! IT IS THEN NOT ONLY FOR THIS UNION TO CHAMPION SO NOBLE A CAUSE BUT FOR ALL TO ASSERT AND ASCEND TO THE IDEAL OF FREEDOM, LIBERTY AND JUSTICE! BY DOING SO, WE BANISH TYRANNY, IN ALL ITS FORMS, TO THE REGIME OF FAILURE!"

—CURTIS GRECO

*"Greco's words awaken us to the fact that with every ambivalent shrug of our shoulders (and with every free hand-out from the government) the noose tightens around our neck and removes a cornerstone from our true personal and collective purpose... We will have to 'engage' with our mind and spirit to keep it possible for us to 'have life, liberty and the pursuit of happiness.' Every American should read this book!"*

Curtis C. Greco | Santa Rosa, California

CURTIS GRECO draws on the wisdom of his favorite historical figures, including, of course, Thomas Jefferson. But at this critical point in our national history, his emphasis is less on perfecting those ideals than on protecting them; or, even more bluntly, keeping them from being actively undermined. Greco's concern that our present political and economic course is leading our nation and its people away from its founding principles will resonate with anyone who loves this country and wants to restore its promise.
