

LUXADD T12 to T5 express Adapter Kit

LUXADD - More Light, Less Energy!

ADVANTAGES OF RETROFITTING WITH LUXADD

1. **Instant energy savings** between 40% and 75%. Additional a/c savings up 15%. Average payback time is less than 1 year.
2. **Better light quality** through high frequency operation.
3. **Installation within seconds**. (Like changing a light bulb - no replacing or rewiring the ballast - no downtime - no labor costs).
4. Using **T5 technology without changing the lighting fixture or bypassing the ballast**. No competitor can offer this.
5. **1-for-2 retrofit**: in most applications only half of the amount of light bulbs needed.
