REGISTERED BUSINESS ADDRESS

A local business address is required when registering a Singapore company. And this address will be the official corporate address for all official communication pertaining to registered business.

Rikvin offers the service of providing you and your company with a prestigious address in Singapore's CDB area. This prestigious CBD address can be used on your business card, letterhead and corporate collateral.

Mail Notification

With a registered address through Rikvin, you can receive your mail through our office. Rikvin will notify you of your mail arrival through email and/or SMS (for Singapore mobile phone users only).

Mail Forwarding

For the arrival of postal mail, courier items and small parcels, Rikvin can forward the mail to you per your instruction. All postage costs will be billed accordingly to you.

Mail Scanning

With a small additional fee, Rikvin can scan your letter mail and email it to you. The service is fast, you can access your mail through your computer wherever you are.

DEDICATED PHONE SERVICES

PREMIUM SERVICE

Personalized phone answering service

STANDARD SERVICE

Automated phone answering service

CALL FORWARDING

Be connected anywhere in the world

DEDICATED FAX LINE

Forwarded to your e-mail

Rikvin can provide you and your company with a dedicated local business telephone number. There are two services available, from which you can choose how you would like to handle calls for you and your business.

Rikvin Premium Service

The premium service offers personalized telephone answering for your business. Our professionally trained staff answer incoming calls in your business name. With each call, a dedicated receptionist will consult with you promptly whether you wish to take the call. The reception will then transfer the call to you or record a message from the caller based on your decision.

Rikvin Standard Service

The basic service offers a standard phone greeting, and all calls to you and your business can be automatically diverted to another telephone number specified by you. Alternatively, you can arrange for the caller to leave a voicemail which will be emailed to you. No more missed calls!

Call Forwarding Service

All calls to you and your business can be forwarded to you according to your specifications, and can be connected to you anywhere in the world. Additional fees may apply.

Dedicated Fax Line

Rikvin can provide you with a dedicated fax number. Faxes received will be forwarded to your email so that you can access them from any computer which has internet access.
