COURTYARD LINCROFT RED BANK HOTEL IN NEW JERSEY COMPLETES LOBBY RENOVATION

To celebrate the Red Bank hotel's new renovation, the Bistro is offering 50% Off Appetizers through August 31, 2011.

Red Bank, NJ: June 29, 2011 – The Courtyard Lincroft Red Bank Hotel is proud to announce its reopening after an eight-week renovation; it was announced today by Kiernan Newman, General Manager. The renovation included the lobby and meeting space.

The new state-of-the-art lobby welcomes guests with vivid contrasting colors, including blue, orange, and red. The traditional front desk is replaced with separate welcome pedestals to create more personal and private interactions when guests check in. Flexible seating options range from a communal table in the center of the lobby, to more private media booths with high-definition televisions, to a more intimate, semi-enclosed lounge area. A signature element of the new lobby is the exclusive GoBoard® technology, a 52-inch LCD touch screen packed with local information, maps, weather, and news, business and sports headlines. Guests can navigate using the touch screen to find restaurants, local attractions and directions. The entire first floor of this renovated [Red Bank hotel](#) features wired and wireless internet in the lobby and meeting rooms.

The highlight of the renovation is The Bistro- Eat. Drink. Connect.™ - a new dining concept of flexible seating, high quality, healthy food in a casual atmosphere. The menu includes breakfast options such as egg sandwiches and classic oatmeal with dried fruit and dinner options like tomato mozzarella flatbread, turkey BLT, and the Bistro burger. Plus, guests can enjoy their favorite Starbucks® beverages any time of day. The Bistro also offers evening cocktails, craft beer, and wine.

Other changes include the complete renovation of the meeting rooms with new carpet, vinyl, lighting, and woodwork. The fitness center has also been updated with cardio machines with personal televisions and free weights. The Courtyard [hotel near the Jersey Shore](#) offers a new outdoor terrace with stylish furniture, enabling guests to sit and relax with a cool beverage or an appetizer.
