LAS VEGAS CONVENTION CENTER HOTEL OFFERS THIRD NIGHT FREE PACKAGE

Everyone wants more time in Las Vegas to see more shows, dine at more restaurants or play at more casinos. The Las Vegas Marriott's new hotel special lets guests do just that: experience more of Vegas.

Las Vegas, NV – The old adage goes, "One can never have too much of a good thing." Nowhere else does this expression hold as much truth as it does in Las Vegas. It would be hard to tire of world-class shows and entertainment, the top-of-the-line dining experiences and the out-of-this world casinos, all located in one city. For those individuals who cannot get enough of Vegas, the Las Vegas Marriott Hotel has created a special hotel deal. Available now until September 5, 2011, this Las Vegas Convention Center hotel deal lets guests staying two nights enjoy a third night free. To book this [Las Vegas hotel deal](#) online, visit the Las Vegas Marriott website and use promotional code ES7.

A third night in Las Vegas is always better than two, particularly when that third night is free. Whether traveling for business or for pleasure, guests will appreciate the extra time to themselves. As one of the premier Las Vegas Convention Center hotels, the Las Vegas Marriott welcomes a large number of convention attendees, many of whom will enjoy their third free day to relax and experience the more playful side of Vegas. Those who stay at the Las Vegas Marriott on vacations will surely enjoy the extra time to explore the famous Las Vegas Strip, also located near the hotel.

Guests who book the Third Night Free Las Vegas Convention Center hotel deal will stay in luxurious guest rooms featuring separate living and sleeping area, perfect for families to enjoy a third free night in Las Vegas while resting comfortably.

The Third night Free in Las Vegas deal is valid seven days a week. The free third night will be applied at check-out. For more information about this special offer, visit the [Las Vegas hotel deal page](#).

About the Las Vegas Marriott

Located on Convention Center Drive, adjacent to the Las Vegas Convention Center and two blocks from the Las Vegas Strip, the stylish Las Vegas Marriott provides a sophisticated alternative to Las Vegas Strip hotels. Not a single guestroom detail is overlooked, as 278 spacious rooms include separate living and sleeping areas, 42-inch HD TV's and executive work stations with wired high-speed Internet access. Convenient extras include small refrigerators and double sofa beds, making group travel easy and comfortable. Platinum/Gold Marriott Rewards members receive a free breakfast buffet at this Las Vegas Convention Center hotel's restaurant, café325. The pristine outdoor pool is heated, with fresh towels provided. Those who wish to maintain fitness routines while traveling can also take advantage of the Las Vegas Marriott's on-site fitness center, featuring a variety of modern cardiovascular equipment and free weights.
