

Edvance360 Announces Release 6.1

(July 2011 - Norfolk, VA) Edvance360, LLC, a leading provider of eLearning services and software, has announced its release of **Edvance360 LMS-SN Version 6.1**. Edvance360 is a Learning Management System combining robust course management tools with a secure social network and web 2.0 tools to create an effective learning environment.

The latest release includes:

- **Edvance360 Live!** - Integrated video conferencing services; facilitates live classroom interaction, including presentation sharing, whiteboard capabilities, live audio, and video conferencing.
- **Video/Audio Notes** - Record, save and present video and audio notes from many places within the application; record a course introduction, lesson instructions and personalized student feedback without ever leaving Edvance360.
- **Plagiarism Detection Powered by TurnItIn™** - Edvance360 has teamed up with the global leader in plagiarism detection to provide integrated plagiarism detection tools.
- **Student Engagement Log** - Administrators can view a log of all student engagements with the system and also record external interactions with students.
- **Attendance Tracking** - Set up custom dates and track student attendance from Gradebook.
- **Video Streaming Services Updates** - Clients who use our video streaming services on our managed cloud instance can now take advantage of automatic HTML5 encoding for viewing videos on iOS devices including iPhones and iPads.

“Late last year, a majority of our clients realized their current video/audio conferencing vendors might not remain viable, so they turned to us. Less than six months later, we are excited to release 6.1, including E360 Live!™ This new offering provides our clients with an affordable, fully integrated, easy-to-use synchronous component for their courses,” said Cathy Garland, Vice-President of Marketing. “Adding this offering demonstrates our flexibility and commitment to meeting our clients’ needs—before they actually have time to become needs!”

Release notes can be found at www.edvance360.com/release_notes_61.php. A demonstration of the features Version 6.1 will be held on July 21st at 1 PM Eastern Time. To register, go to www.edvance360.com/webinars/release61webinar.
