

SAGEMCOM XMEDIUSFAX COMPLETES CISCO INTEROPERABILITY VERIFICATION TESTING

July 2011

[Sagemcom](#), the global leader in advanced IP fax server solutions since 2002, is announcing at the Cisco Live show in Las Vegas, Nevada (July 10-14, 2011 - Booth 2034) that its XMediusFAX Fax over IP (FoIP) software v 6.5.5 has successfully completed interoperability testing with the [Cisco Unified Computing System Express \(Cisco 2900 Series Routers\)](#) within the Integrated Services Router technology category.

The [Cisco Developer Network](#) unites Cisco with third-party developers of hardware and software to deliver tested interoperable solutions to joint customers. As a Registered Developer, Sagemcom offers a complementary product offering and has started to collaborate with Cisco to meet the needs of joint customers. With offerings such as XMediusFAX FoIP fax server survivability solutions, customers can more quickly deploy a broad range of Cisco Compatible business applications, devices, or services that can enhance the capabilities, performance, and management of their Cisco network. For more information on XMediusFAX FoIP's interoperability with Cisco's SRE-V and UCS Express, please go to: <http://developer.cisco.com/web/partner/search;jsessionid=F4C9D8D4E3C87A760C841E527223E2B5.liferay-portal2?accountId=001400000N7DHfAAN>

ABOUT SAGEMCOM

French high-technology group with an international dimension, Sagemcom operates on markets of broadband (digital home, digital set-top box, broadband and residential terminals), telecom and energy (M2M, telecommunications infrastructure, smartgrid and metering), and management of documents (printing terminals, software and solutions, digital production workflow). With a turnover of over 1.4 billion Euros, Sagemcom employs 6 000 people on five continents; already a European leader in most of its key markets, Sagemcom aims to become a world leader in high added value communicating terminals. Sagemcom is strongly committed to sustainable development through the life cycle of its products: eco-design, energy consumption, ethical code of all its suppliers.
