Direct Payment API

API to add any Xsolla payment option into Your billing interface:

All parameters, including:

amount of virtual currency; payment amount; account ID additional parameters: e-mail, phone, localization language, currency, etc. are sent directly to the payment options check-out page

7 reasons to Choose Xsolla

1. Global Coverage	2. Diverse PO	3. Fraud Protection
33 PO in USA 41 PO in Europe 64 PO in Eastern Europe 13 PO in South America * PO = payment option	Cash and e-cash, credit cards, mobile payments, direct debit, prepaid cards, offers.	Payment frequency Deep behavioral analysis Automatic alerts and we cover fraud ;)
4. Support 24/7	5. Individual Service	6. Flexible Terms

7th reason is the best: over 200 publishers have already chosen Xsolla

P.S. Our Partners

We have been working with 2pay Russia and 2pay Inc. CA over the last two years. Our cooperation has been in every respect successful, beginning with the open and straightforward communication, timely fulfillment of integration processes and continuous efforts on the part of 2pay to increase the sales volume.

> Seth Iorio Gameforge Productions GmbH

2pay for us has established itself as a reliable and trusted business partner. The easy integration and smooth day-to-day work enables us to generate additional revenues without having cannibalization effects. The friendly 2pay team is a pleasure to work with and is going the extra mile to accomodate even difficult request.

> Linus I, Menden BIGPOINT GmbH

2pay (Xsolla) is a fast growing company focused on increasing the product quality and expanding the range of payment methods.

There has been no significant system malfunctions for over 2 years of our cooperation. Issues are always settled positively, without delays. We definitely recommend partnership with Xsolla to all online games and services.
