

Running a fundraising campaign doesn't have to be a daunting task. Success for your cause depends on finding an easy and effective solution to reach your fundraising goals.

Click2Cause.com is that solution, an innovative online philanthropic platform that unites fundraisers and supporters. Cause Champions are able to promote their causes at no cost. Donors are clicks away from discovering causes and charities they wish to support and can be confident that not a single penny of their donation goes to waste.

Ours is the only website that facilitates a fundraising campaign's success by connecting Champions with Supporters. Our innovative technology provides small or large fundraising groups with a cost-effective and secure e-commerce solution.

Click2Cause.com's mission is to help not-for-profit groups reach their fundraising goals by providing an easy to manage, cost effective, interactive, and secure solution that maximizes the benefits to both Cause Champions and Cause Supporters. We are committed to integrity, transparency, and security for both Cause Champions and Cause Supporters.

Use the power of Click2Cause.com to raise much-needed funds for your cause by connecting directly with donors who want to support you!

### **Benefits**

- Absolutely no cost to fundraisers. Promote your cause or event for FREE
- No need to design and build a dedicated website to accept donations
- Expand your donor base using the power of the internet – no volunteers required
- Through Click2Cause.com's integrated social media network, Supporters interact with Champions and can track the progress of the Cause
- Donating is safe, secure, and simple. Supporters see where every dollar goes
- All ethical causes, of any size, are supported
