MANHATTAN BEACH HOTEL OFFERS WEEKEND PACKAGE FOR SURF FESTIVAL ATTENDEES

The 2011 International Surf Festival returns to Manhattan Beach, and to welcome the waves and visitors, the Manhattan Beach Marriott Hotel is offering a special weekend hotel deal.

Manhattan Beach, CA – For the last 50 years, the International Surf Festival has taken place near Manhattan Beach and Hermosa Beach Pier. Featuring a wild volleyball tournament, lifeguard competition, bodysurfing championship and, of course, a surfing tournament, the 2011 International Surf Festival brings tens of thousands of spectators every year. This year’s tournament runs from July 29 to July 31, and the [Manhattan Beach Marriott Hotel](http://www.manhattanbeachmarriott.com) has announced a special weekend hotel package for guests attending the festival. Available now until September 5, 2011, the “Where Weekends Begin” Package includes the following:

- Free breakfast for two adults
- Free Internet access
- Late check-out

To book this Manhattan Beach hotel deal online, use promotional code F2V. This special must be booked seven days in advance and before August 22, 2011. For more information about this hotel, visit www.manhattanbeachmarriott.com

The actual surf competition takes place on July 30 at 7:30 am. The championships offer several categories, including long board, short board, junior, men and women competitions. The ideal surfing conditions at Hermosa and Manhattan Beaches have made the surfing competition a thrilling sight to behold.

However, it is the Charlie Saikley Volleyball Tournament that has become increasingly popular over the years. Known informally as the 6-Man, the volleyball tournament is part sporting event, part fashion contest. Teams dress up in unusual garb and compete against one another for bragging rights and glory. A mix of professionals, semiprofessionals and amateurs enter the contest for a day of lighthearted fun.
