MARRIOTT HOTEL NEAR PORT EVERGLADES ANNOUNCES NEW FLORIDA CRUISE DEALS

As significantly more cruises are booked from last year, the Hollywood Beach Marriott Hotel has created new Florida cruise deals to welcome passengers setting sail.

Hollywood, FL – Now more than ever, travelers want their vacations to be as relaxing as possible. No one wants to spend their hard-earned break feeling rushed or stressed, especially when traveling to their destination. Yet when that destination is a cruise ship with a strict departure schedule, the potential for feeling completely frazzled by the time they reach port becomes very likely. One way to ease the hurry and hassle is to plan on a relaxing stay in a nearby hotel or resort prior to the cruise. Travelers can take their time arriving in town, with little concern about schedule. They have the opportunity to unwind and enjoy the attractions that come with the coastal area and maybe even explore a bit, or just enjoy some time on the beach. After a good night’s sleep, they can leisurely make their way to port to catch their ship. Likewise, travelers returning from a cruise may find a good night’s sleep at a scenic and comfortable coastal hotel is the perfect way to cap off their voyage prior to a long drive or flight home.

Of all the Florida beach resort deals currently offered at the Hollywood Beach Marriott, the Park and Cruise Package is specifically designed to attract cruise passengers with several useful, enjoyable and, most of all, relaxing features. And with Port Everglades, in Fort Lauderdale, Florida, becoming one of the busiest cruise departure locations in the country—with departures up 18.4% over the same period last year—the timing for a great cruise deal couldn’t be better. The Park and Cruise Package includes overnight accommodations before or after a cruise, breakfast for two and complimentary parking during their cruise. This [Florida cruise deal](#) is available now online until September 30, 2011, and can be reserved using promotional code PCJ.

Staying at a hotel near Port Everglades has several advantages for cruise ship passengers. Travelers can enjoy taking their time rather than having to race to the cruise terminal direct from a long flight or drive, and Marriott’s Hollywood Beach Hotel is only eight miles from Port Everglades. And, it’s only steps from the beach! Plus, Hollywood Beach was recently named the [Best Boardwalk in the US](#) by the Travel Channel. Therefore, with Marriott’s Park and Cruise Package, cruise passengers have the added bonus of beginning or ending their cruise experience with some relaxation time at a luxurious and fun South Florida beach hotel.
